3D Systems to Present at Canaccord Adams' 27th Global Growth Conference

ROCK HILL, South Carolina – July 31, 2007 - 3D Systems Corporation (NASDAQ: TDSC), a leading provider of 3-D Modeling, Rapid Prototyping and Manufacturing solutions, announced today that it will present at the 27th Annual Canaccord Adams Global Growth Conference at the InterContinental Boston. Abe Reichental, 3D Systems' president and chief executive officer, and Damon Gregoire, 3D Systems' vice president and chief financial officer, are scheduled to present to leading institutional investment representatives on Tuesday, August 7, 2007, at 11:30am Eastern Time.

3D Systems will webcast the presentation live on 3D Systems' website at www.3dsystems.com under the Investor Relations' section.

"We look forward to presenting 3D Systems' strategic plan, growth opportunities and key success factors to some of the country's top growth investors at Canaccord Adams' Growth Conference," said Abe Reichental, president and chief executive officer of 3D Systems. "As one of the longest-running institutional events focused exclusively on growth companies, this is an ideal venue in which we can provide an important mid-year update."

"Long known as the Summer Seminar, this year we have changed the name of the event to better reflect the expanding international scope of companies and investors attending," said Kevin Dunn, President and CEO of Canaccord Adams Inc. "It is our continued mission to deliver a top quality event for institutional clients and venture capitalists, connecting them with exciting growth companies. The conference will also afford corporate clients access to investing insights and valuable market information. Our goal is to provide a premier forum for sharing knowledge, discussing emerging trends and identifying investment opportunities for public and private companies, venture capitalists and institutional investors."

The Canaccord Adams Global Growth Conference is one of the oldest and largest programs showcasing both publicly traded and privately held growth companies. Many of the presenting public companies are covered by Canaccord Adams' global team of equity analysts.
