3D Systems to Participate Virtually at William Blair's "What's Next for Industrials" Conference

ROCK HILL, South Carolina, September 16, 2022 – [3D Systems](#) (NYSE:DDD) announced today that management will participate in a panel during William Blair's "What's Next for Industrials" Conference. The panel, titled "Advancing Healthcare Through 3D Bioprinting," will take place virtually on Friday, September 23, 2022, at 12:00 p.m. Eastern Time.

A recording of the panel will be available on the "Events and Presentations" section of 3D Systems' website at <https://investor.3dsystems.com/> shortly after conclusion of the event and will remain available for 7 days following the event.

About 3D Systems

More than 35 years ago, 3D Systems brought the innovation of 3D printing to the manufacturing industry. Today, as the leading additive manufacturing solutions partner, we bring innovation, performance, and reliability to every interaction - empowering our customers to create products and business models never before possible. Thanks to our unique offering of hardware, software, materials, and services, each application-specific solution is powered by the expertise of our application engineers who collaborate with customers to transform how they deliver their products and services. 3D Systems' solutions address a variety of advanced

applications in healthcare and industrial markets such as medical and dental, aerospace & defense, automotive, and durable goods. More information on the company is available at www.3dsystems.com.
